Hello Again Folks

As we bring to you this March edition of the Village News we hope that you are all keeping well and coping as best you can through these ongoing tough times. With this being the month of Mothers’s Day we have included lots of spring blooms throughout this issue and dressed up our community bus in the same spirit. We hope that our little flowery doodles make you smile.

We have a very special young man in our community who I’m sure is making his lovely mum smile. Sam Gascoyne is fundraising for Myeloma UK - a blood cancer which his mum Deb is fighting her own battle with. If you wish to support Sam please see details on page 4 of what he aims to achieve and how you can help. We at the Village News would like to say “Good on you Sam, go for it”.

We bring good tidings with regards to the Community Centre. Plans for extensions and refurbishment have been submitted to Bromsgrove District Council and although not available on their portal yet we have included them in this issue. Take a look at pages 6&7. We’re very excited!

You’ve probably noticed that on the back cover of each issue (space permitting) we like to include a short poem appropriate to the time of year. This month we have used a very famous poem by William Wordsworth - The Daffodils. We think its particularly poignant as it speaks about walks in the countryside and observing nature, both of which many of you have been doing during these most unsettling of times. It does also of course make mention of daffodils of which we have a beautiful image featured on our front cover - the area where the photograph was taken has become well renowned for these lovely flowers in recent years.

On a final note - we thought it might be nice to include some community written poems on our back cover. So if we have any budding poets out there who would like to submit a poem that they have written then, please do submit it to the editor via email.

Stay safe, take pleasure in the countryside, observe nature and enjoy the daffodils!

A Message From Sam

Hi, my name is Sam Gascoyne and I live in Hagley. I am 14 and trying to raise money for a charity called Myeloma UK by doing 15 challenges before I turn 15 in August. I am doing this Fundraising to support my mum who has Myeloma, a blood cancer. She is trying to raise 50,000 pounds before she turns 50, and all the money I raise goes towards that. I have a just giving site used to collect all donations: justgiving.com/15b415

I am writing this as I need some help with some of my challenges and I think you could help me. Any of the following things would be appreciated greatly:

- £15 donation on behalf of a business.
- A prize for a raffle.
- An item I can auction (which hopefully will run throughout March 21)
- Anything signed by someone famous
- If you know anyone famous ask them to get in touch with me
- Buying a piece of merchandise from Myeloma UK (key rings, car stickers, tshirts, etc....)

Anything of that list would be amazing, if you can do anything just get in touch with me via my email 15B415sam@gmail.com

The Grazebrook Drinking Fountain

The Grazebrook drinking fountain is the tall stone structure on the right of this photograph taken in the 1920s, at what today is the A456/A491 traffic light controlled junction. Birmingham is to our left and Stourbridge is behind the photographer. This drinking fountain was erected by neighbours and friends to celebrate the diamond wedding in 1915 of Mr and Mrs John P Grazebrook. John Grazebrook, an ironmaster, lived at The Court, which was located to the right of the camera. The drinking fountain was later moved to Park Road, near Lyttelton Place, and close to the A456/A491 traffic island. This move was necessary when road widening was done at the junction of Stourbridge Road and Birmingham Road depicted above.

In the left distance is Hagley Cattle Market and the offices of auctioneers Chapel & Foster. The houses in Market Way now occupy the site of the cattle market.

Rachel Paget - Secretary
See hhfs.org.uk for details & contacts
The Community Centre was built during 1969 and opened in September of that year. Serving the community for over 50 years and prior to the pandemic it has been continuously well used by a broad spectrum of the community in Hagley. It is now showing its age and the building itself lacking in flexibility for different uses - it can only be let out for single usage at any one time.

Various options have been considered over the years and a refurbishment and extension has been decided upon as the best way forward.
The proposals are -

Retain part of the existing building - Hall, Stage and Toilets for renovation and refurbishment with new roofs, upgraded thermal insulation and external cladding.

Additional storage to be added at the north side and stage end of the Hall.

Demolish the remainder and rebuild an extended area to form new Studio, Kitchen and small Meeting Room. A wide concourse between this and the Hall can be used as exhibition space. The Main Entrance will be located from the car park. A secondary entrance will be from the path at the side of the playing field.
Village Information

Village Ladies

Hello Village Ladies, here we are in March already – this year is threatening to whizz by as quickly as last year did but let’s hope that 2021 will be a lot more enjoyable. The good news is that many of us have had our first jabs but, as you know, there is still need for patience and caution. Because of this Sue and the committee have decided to cancel all meetings until at least September. The hope is that we can then re-open with two registration and social meetings and begin our speakers again from October. Fingers and toes crossed that this plan will happen.

We should hopefully be getting some better weather now so we can get outside and enjoy our gardens. Or how about making yourself a nice cup of tea or coffee and spending an hour in a comfy chair reading Sue’s Village Ladies Newsletter. Perfect!!

Spring is a lovely time of the year when shrubs and trees are beginning to sprout and bulbs are pushing their way through the soil giving us hope of better things to come. It can’t come soon enough!! Keep safe and virtual hugs to you all.

Ann Paget

Hagley Gardeners Club

This month I am delighted to pass on some tips from John Oakes one of our past chairmen.

March is a wonderful time to get out into the garden. The days are getting longer, the bird song is louder and there are lots of things to do. The garden is coming alive – even the slugs –Ahh! Whilst we can’t have our club meeting yet awhile, we can enjoy the colour from the spring bulbs, crocus, daffodils, fritillaries’ and cyclamen.

Prune roses, remove all deadwood and weak side shoots and prune to an outward facing strong bud. Feed with ‘growmore’ and mulch 5cm thick. If not already done, prune buddleia hard and low down. They are very vigorous and will recover well. Prune cornus, sedums and grasses to the base, and prune hydrangeas to a strong bud. The first week in March is when I sow my sweet peas, two seeds to a 7.5cm pot of new compost, slightly damp and keep indoors until germinated, then outside in a cold frame. Do not chit or cut the outer skin of the seeds or soak them overnight, they may rot when planted. After two pairs of leaves pinch out the tops and they will grow very strong side shoots. Sow long pod varieties of broad beans either direct or in 7.5cm pots. Lawns can have their first cut. Choose a dry day and set blades higher than usual. Put in plant supports ready for a growth spurt for tall perennials.

Clean and treat the garden furniture and enjoy a well earned cup of tea or coffee in the sunshine which will truly appear.

Oh! Keep weeding.

Interview

Ten minutes in the company of … Andrew Hipkiss, Public Relations Marketing Officer and volunteer of Severn Area Rescue Association (SARA)

I began by asking Andrew how he first got involved and to explain what SARA is.

SARA is also part of Mountain Rescue. “I (Andrew) first got involved over 4 years ago when I was looking for a local charity to get involved with and support. I looked at SARA and was blown away with the team’s commitment and dedication to saving lives and that everyone in the charity is a volunteer, not a penny is taken, not even for food and snacks when the team is on duty. Every penny goes on search and rescue lifesaving equipment. I was amazed at the amount of people that did not know about SARA and I wanted to raise awareness at the amazing work that they do.

SARA’s local station is based in Kidderminster Fire station. We cover areas on and around the River Severn, including Clent Hills, Clee Hills and will go into areas wherever there is a threat to life. Generally, we support all 999 emergency services, especially where our skills and emergency equipment can get into difficult areas, such as river searches, missing persons, floods and if people get stranded on hills. Our members are multi-skilled and highly trained in a wide range of emergencies. We always have a team on standby 24/7 with a fast response to emergency calls.” Andrew explained.

The group will celebrate its 50th year in 2023 and so will be looking at ways to promote what they do, raise money and to encourage more volunteers to join. “We currently have 18 operational crew, around 20 supporters as well as people who are responsible for the administration. We would like more volunteers of course and each volunteer has the opportunity to train on either specific skills or general support activities. Our volunteers come from all walks of life; with multiple careers.

“We have had great support in Hagley and the surrounding areas, most recently from the Station Inn, along with public donations and contributions from when SARA marshalled the Hagley Christmas events. We are always looking for donations to keep our equipment up to date and working. For example, our emergency vehicle and rescue boat will need to be replaced very soon. These are likely to cost tens of thousands of pounds.” Added Andrew.

I asked the inevitable question “What impact has Covid had on SARA. “Andrew replied that during lockdowns, people’s movements have been restricted so we’ve not been called out as often as we would be normally. However, we are still ready when called upon despite this. No doubt when the lockdowns are relaxed a bit SARA will be needed again, we are ready to go when called”. Concluded Andrew.

Andrew added “2023 and SARA’s 50th year celebration will include open days and fund-raising events. This will be a really exciting time for us, and I can’t wait to start preparing for the celebrations.”

CALLING ALL SOCIETIES – HAGLEY VILLAGE MILLENIUM WALL HANGING

‘A wall hanging is to be produced to celebrate our village in the year 2000. It will consist of panels each decorated by a different organisation in the village. It is hoped that everyone in the village will be represented.

‘Each panel will be 8” x 6” … your panel must depict your group in some way … a picture of where you meet or a representation of what you do … any medium can be used eg Embroidery, Appliquéd, Quilting, Fabric Painting, Cross Stitch, Canvas Work etc … a piece of calico 10” x 8” will be supplied … by the WI … When your panel is completed … and all the panels have been received, they will be arranged by members of the WI.

‘It is hoped that the completed wall hanging will be placed in the re-designed Community Centre Foyer.’ (Where it is still displayed.)

When we can meet it is on the second Monday of the month at 2.00 pm in the Community Centre. Meanwhile, you can visit us on Facebook or contact Mita Barnes on 01299 879996 hagleypres@wfedwi.org.uk

Hagley String Orchestra

An increasing number of us are now getting protection from covid with vaccination, and I’m hoping that by the Summer Term we can start rehearsing once again. A great incentive to do so will be playing a new composition for piano solo and strings by Tony Bridgewater.

Tony studied composition and piano at Cambridge University and the Royal Birmingham Conservatoire, and he’s the current Chair of the Conservatoire’s Association of friends and supporters. Many readers will know Tony as a previous Head of Music at Ridgewood High School and Old Swinford Hospital School. He’s now retired from school teaching to concentrate on his work as a professional composer, pianist and conductor.

We’ve played his delightful Humoresque for String Orchestra twice in 2016 and ’18, which he has dedicated to HSO. This piece is splendidly written for string players giving all sections important parts to enjoy, most of it being written in 5 beats per bar which some of us found a bit tricky! Tony’s new work, Concert Piece No. 2 for Piano and Strings, has a meditative opening before launching into a thrilling jazzy Allegro with a very demanding solo piano part and a thrilling conclusion. We’re going to love it!

You must have owned for at least 4 months either (1) a Ford vehicle that’s over 4 years old from date of first registration or (2) a non-Ford vehicle of any age. Hills Ford only offers finance from Ford Credit. We may receive a percentage commission based on the amount financed. E&OE.
Hagley Parish Council

As I write the March update, we are still a few weeks from Government reviewing the current Lockdown guidance. We have had to suspend the Dial-A-Ride community bus for the time being but as soon as we are advised that it is safe to do so we will reopen the service ASAP.

I think that this February has been a particularly tough month for everyone as we all do what we need to do to stop the spread of Covid-19. The vaccination rollout has gone very well from the reports received and everyone has been eternally grateful for the excellent work that is being done by our front-line NHS and essential worker teams. With every vaccine it gets us closer to its eradication and as the rollout continues after the top four priority groups the next cohorts will be contacted.

As a Parish Council we will continue to hold virtual monthly meetings and over the next couple of months we might be able to plan for when we can get back to some further normality. The office will remain closed, but we continue to be contactable via the office phone number or e-mails. Along with everyone at Hagley Parish Council I look forward to being able to hold public meetings once again and to be able to get out and about whenever its safe to do so.

Cllr Steve Colella
Chairman Hagley Parish Council

Bromsgrove District Councillors
Steve Colella (Hagley West)
Rachel Jenkins (Hagley East)
I am pleased to report that thirty-five police and crime commissioners (PCCs) are to receive Government funding from a £25 million scheme to crack down on burglary and theft in crime hotspots.

The Government’s Safer Streets Fund aims to stop offences that blight communities and cause misery to victims from happening in the first place. Grants of up to £550,000 will be provided to PCCs in England and Wales for projects to improve security in areas particularly affected by acquisitive crimes such as burglary, vehicle theft and robbery.

The money will go towards measures proven to cut crime. These include simple changes to the design of streets such as locked gates around alleyways, increased street-lighting and the installation of CCTV. The funding will also be used to train community wardens, deliver local crime prevention advice to residents and establish Neighbourhood Watch schemes.

Many of you have been affected in these most difficult of times and my thoughts are with all who have been touched by the pandemic, family, relatives, friends and business. There seems at last be real hope though with the speedy roll out of the vaccine and I was delighted to see the Artrix in Bromsgrove District designated as one of the main centres for vaccination in Worcestershire. I do hope that this vaccination programme will help to keep you all safe and well in these most difficult times.

Business has continued remotely at Worcestershire County Council and we are focussed on ensuring support is available for all so we can quickly rebuild our economy and businesses. We also continue to deliver key services including Here2Help which has been focussed on supporting those in greatest need.

Please do all stay safe and well. If there are any issues, I can help with then please do not hesitate to contact me.

Hagley Neighbourhood Watch

I am pleased to report that thirty-five police and crime commissioners (PCCs) are to receive Government funding from a £25 million scheme to crack down on burglary and theft in crime hotspots.

The Government’s Safer Streets Fund aims to stop offences that blight communities and cause misery to victims from happening in the first place. The funding will also be used to train community wardens, deliver local crime prevention advice to residents and establish Neighbourhood Watch schemes.

Being a strong lobbyist in pressing the West Mercia PCC to provide funding and community support for Hagley I welcome this announcement and look forward to working with the local Policing. It is imperative that the Local Policing Team engage directly with the Hagley community.

Art Club

January saw the club’s first demonstration by Zoom and this was really successful. We had 28 participants, more if you include couples and afterward had a considerable number of positive responses. I think members quite liked not having to leave their living rooms on a cold dark night (or get out of their PJs in my case) The main benefit was being able to have an artist from outside of our traditional 50-mile radius limit and so we were able to benefit from a fantastic demonstration by Peter Keegan, a renowned portrait artist who painted in oils, explaining that acrylics uses the same technique (www.peterkeegan.com) He made it look so easy!

Obviously at the moment we don’t know how long we will still be in lockdown but at least we know that the Zoom platform is available to us should it continue for a while. However, the uncertainty means that our forward going programme is still in a state of flux for the time being; more up-to-date information can be found on our Facebook page and/or website at www.hagleyartclub.co.uk

Voting for the members’ vote for best picture will have ended on the 28th February and the results will be announced at the AGM which will be held on Friday 12th March on the Zoom platform. However, the club is considering slotting in another demonstration in March if possible, details will appear in the usual places. The AGM will be relatively short but will give members an opportunity to hear the Chairman’s and Treasurers’ reports and also give input into the club’s future activities if they wish, or just chat about art!

Remember new members are always welcome; now being a good time to join, with reduced subscriptions, tempting offers, extensive range of professional demonstrations and a new hobby to undertake without even stepping out of the door. Contact us on hagleyartclub583@gmail.com

Hagley Library

Following national lockdown, we are pleased to announce that all Worcestershire libraries will remain open to provide essential IT and digital services for residents who cannot get online at home.

Customers will not be able to enter library buildings to browse shelves but a replacement ‘Reserve and Collect’ service means books can still be borrowed.

Return dates for all existing loans will be extended until 28 February 2021.

The mobile library service has been temporarily suspended and study desks will be unavailable until further notice.

The Digital Library Hub will continue to be available 24/7 for a wealth of online library services, events and activities including remote access to Ancestry, which has been extended until March 2021.

For more information regarding current library service provision, how to book a computer or to reserve books to collect, visit www.worcestershire.gov.uk/libraries

Hagley Country Dancers

The end of winter at last, and with vaccinations proceeding at speed we can hope that dancing will re start in the not too distant future. Meanwhile, stay safe and thanks to all for keeping in touch through WhatsApp and e mails.
The Monday Evening meetings on Zoom continue to keep the Hagley Rotarians engaged and entertained.

Preparing for Christmas the Rotarians were keeping up with matters local and international with donations to our supported charities now including food banks and homeless contributions from all quarters.

December is when Rotarians are charged to consider Disease Treatment and Prevention. Our efforts in eradicating Polio have now been complimented with concerns and local support for the Covid19 Pandemic awareness and support. We have been reminded that there are many other diseases apart from Polio that need Rotary International involvement in treating the less fortunate 3rd world as well as local and national concerns in the winter season, such as pneumonia and tuberculosis in which Rotary is active in providing practical help, support, and assistance for those less equipped to deal with illness and outbreak.

Fortunately, there is a Rotary Club and concern available to meet the challenges as they arise and be provided with advice and support. So if readers would like to have fun with a purpose, consider joining our club who will be meeting at 7.00 pm for 7.30 pm on Monday evenings by visiting our website at https://hagleyrotary.wixsite.com/website

**Hagley Surgery**

**Accurx Online:** The Wyre Forest Health Partnership wants to make getting in touch with Hagley surgery as easy as possible and have introduced a new service to contact us online to replace ‘Ask My GP’. As of Monday 16th November, you can contact us about a medical, administrative or prescription issue through the link on our website; you will need to answer a few short questions and we will then get back to you. The new platform doesn’t require you to have any additional passwords and can be accessed throughout the day allowing many queries to be resolved quickly and efficiently. It’s very easy to use. For more information, or the link to use this fantastic service visit our surgery website.

**Appointments:** We are continuing to operate a telephone appointment system at the surgery and have continued to find that this is well received. For those patients who need to, we are still carrying out face to face appointments at the surgery and anyone that needs to come in and see the Doctor, Nurse or Physician’s associate will be offered this option if it is clinically indicated. This will be explained and a time mutually agreed between the patient and the clinician during the initial telephone call. All appointments (including telephone slots and selected nurse appointments for smears or blood tests) continue to be available to book online where you have online access to your medical record. It is really easy to do – to sign up if you haven’t already please speak to reception via telephone or via our online portal on the website. You can access appointment booking or order repeat prescriptions at anytime from anywhere so it really is worthwhile signing up.

**Active Seniors**

As I write this it is difficult to say when classes will resume at the community centre after the end of lockdown number 2 and as the further revised tier system comes into force at the end of December. However be assured I will be keen to return and restart our popular timetable of classes just as soon as it is safe to do so and once the community centre give us the go ahead to restart our hire of the centre. In the meantime if you are keen to partake in a little more exercise this year then be sure to call and place your name on the waiting list and we can let you know as soon as we can resume.

Classes include strength and balance, Happy hearts (a circuit type class which is currently adapted to meet covid requirements) and Tai chi. We are in Hagley on Monday mornings and Tuesday and Thursday afternoons. Please call Angela on 07512 546480 to discuss.

**Hagley Free Church Evening Fellowship**

The committee made the difficult decision to cancel the planned programme for 2020-2021 even though most of the speakers had been booked due to uncertainty and the vulnerability of many of our members. Now into 2021 we are still uncertain of the future of the Fellowship. For us to continue to be viable in the future we need to be able to secure enough members and this we may not be able to guarantee. **Liz Tew**

**Walton District Girlguiding**

The leaders of the Girlguiding units in Hagley continue to provide fantastic activities for the girls in Rainbows, Brownies, Guides and Rangers. As we are still unable to meet face to face most meetings are taking place using Zoom as our platform. 2nd Hagley Rainbows have been performing a new campfire song together and been doing activities to learn about the 5 guiding World Centres. 1st Hagley Rainbows and 3rd Hagley Brownies are working on the Blackmore Badge to support the Worcestershire Girlguiding campsite in Malvern, they are also making a Museum of their Imagination with every girl choosing an object for the museum. 1st Hagley Guides have embraced the Big Garden Bird Watch and had some bird themed meetings making bird feeders to encourage birds to their gardens they have also been making flapjacks with a twist. 2nd Hagley Guides have done an escape room, made chocolate bark which looked really yummy and had an online visit by a forensics expert. 1st Hagley Brownies have now all completed the Harry Potter challenge badge and are now working on their World Challenge badge trying henna hand art and are set to have a visit from a Reptile animal man. 2nd Hagley Brownies have made pizzas in mug, had a virtual visit from the Cats Protection League and are having a puppet workshop. 1st Hagley Rangers have had much laughter playing Zoom Charades, two truths and one lie and are perfecting their scone making techniques. Clearly the commitment of the leaders and the resilience of the girls who have adapted to their new style of Guiding is to be applauded.

**Little Kickers**

Little Kickers football sessions are the perfect introduction to football and sport for children aged 18 months to 7th birthday.

We’ve been running sessions at Hagley Community Centre on Wednesday afternoons for several years now. Whether you’ve a child who would benefit from playing organised sport with their peers, a budding footballer who you’d like to introduce to the game or simply get moving to burn off some excess energy, then Little Kickers is the place for them!

We run fun, friendly football sessions which meet most early learning objectives in a pressure free environment. Full details of all our sessions, times, venues and prices can be found at [www.littlekickers.co.uk](http://www.littlekickers.co.uk) (Go to ‘Find A Class’) and you can enrol here too subject to availability.

And as a reader of this magazine we are happy to invite you and your child along for a free, none obligation taster to enable you to see what all the fun is about!

Just give us a call on **07545 236917** or email dhomer@littlekickers.co.uk and quote the Hagley Village News to arrange this.
We at Lifecentral are meeting in person for our 10.00am service (please see our website for booking) and you can view our Sunday service online at https://lifecentralchurch.org.uk. We continue to love being involved with the community of Hagley and have renovated the Jubilee Gardens, gone litter picking in the park and are connecting with our Little Treasures families. Please see our Hagley Facebook page for more details of the life of our church in the community of Hagley.

It’s now 12 months since the pandemic hit us and we’re still coming to terms with it. The vaccines are a sign of hope. But we’re halfway through Lent which means Easter is on the way. That’s also a sign of hope. Lent has been forgotten by many, but it gives time for thought and reflection, and self-examination, so that Easter does not come upon us too quickly. It has been said that Lent is Easter in disguise.

“Say what you mean and mean what you say” is good advice at any time.

Church Mission Statement
Committed to Jesus Christ and all too which He calls us
Worship during Lockdown 3. Due to the latest restrictions announced by the government, and the call for people to stay at home, we have decided not to hold services in church in either Hagley or Clent until the restrictions are eased. We are therefore holding worship just on Zoom each Sunday at 10.30 am (at the time of writing, which is the end of January). We all wish it were otherwise but have decided this is the safest and most responsible way forward for the time being. Please see the Church notice boards or website for any changes to these arrangements.

Lent Groups and Compline on Zoom. We will be holding a Lent Discussion Group for five Wednesday evenings on Zoom at 7.30 pm, which will conclude with Compline. The Group will look at the Sunday Gospel reading for each week and will meet on the following dates: 24 February, 3 March, 10 March, 17 March and 24 March. If you want to join in, please let the Parish Office know and you will be sent a link.

Holy Week and Easter. Palm Sunday falls on Sunday 28 March. It is too early, at the time of writing, to be able to know what we will be able to do for Holy Week and Easter. Please see our website and Pewsheet for details nearer the time.

If you would like to be sent a weekly Pewsheet by email which will contain up to date information and notices, please contact admin@hagleycofe.co.uk. Also please contact the Parish Office if you would like to be sent the link to join on Zoom, either by computer or by phone.

St John’s Bellringing

“Let your fingers do the ringing”

Ringing Returns. Come on you reluctant ringers. So many people tell me “I have always wanted to have a go at ringing church bells”. Now is your chance!

Learning to ring is just plain good fun. Like anything that makes a rhythm or tune there is the theory & the practice. Mastering handling the bell which could be 10 times your weight is challenging, that’s the practice. We tend to concentrate on that & good teachers let newcomers have fun while they learn to safely handle the bell. Then understanding what makes ringing such an enduring passion for a lot of people comes next. The Theory. Being part of a team making that beautiful sound that’s the aim. The second most recognised sound in the countryside after bird song. It’s coming the together in a team to make that quintessentially English sound of change ringing on church bells. Over 5,500 towers in England alone.

By spring/summer it is hoped we’ll be back to our normal practice night at St. John’s adjacent Hagley Hall in top Hagley past the Lyttelton Arms.

So join us now & let your fingers do the ringing on your computer. It is so simple, Erica a recruit from December is already joining in. By the time we get to give tutorials on rope handling she will understand the jargon behind the theory.

So like Erica, pick up the phone or email me & “Let your fingers do the ringing”

Friends of St Johns

All activities within the church & Wychbury Room (adjacent to St. John’s church at Hagley Hall) have been on hold over the summer. Each time the church is used CofE rules require thorough cleaning and (as of late Sept) a three-day gap before being used again. The church cleaning is a very onerous task for the church wardens.

The cancelled summer 2020 Wednesday morning talks in the church are being rebooked for 2021. We will take the lead from how the church facilities are being used and take guidance from the incumbent Rev. Richard Newton. The Mothers Union have started to use the Wychbury Room for their group. A risk assessment for church affiliated groups such as theirs must be followed.

For third party groups advice on how to book the room is here.

https://www.hagleycofe.co.uk/community-facilities-building/

Although extra precautions must also be defined by submitting a COVID-19 risk assessment for approval, prior to any bookings being confirmed.

All proceeds from hiring the room go to Hagley PCC. During the summer we are very grateful for the regular cleaning carried out by Hagley Cricket Club. Derek & Kate Aldridge have been keeping a keen eye and helping to maintain and clean the Wychbury Room & toilets to keep the facilities in good condition for us all. Thank you.

The Daffodils:

I wandered lonely as a cloud
That floats on high o'er vales and hills,
When all at once I saw a crowd,
A host of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.

Continuous as the stars that shine
And twinkle on the milky way,
They stretched in never-ending line
Along the margin of a bay:
Ten thousand saw I at a glance,
Tossing their heads in sprightly dance.

The waves beside them danced; but they
Out-did the sparkling waves in glee:
A poet could not but be gay,
In such a jocund company:
I gazed—and gazed—but little thought
What wealth the show to me had brought.

For oft, when on my couch I lie
In vacant or in pensive mood,
They flash upon that inward eye
Which is the bliss of solitude;
And then my heart with pleasure fills,
And dances with the daffodils.

By William Wordsworth

This is one of Wordsworth's most famous short poems. In it he remembers that he once saw a beautiful scene, a lake and the daffodils beside it. He spent a great amount of time on walks in the countryside and used his keen sense of observation to take note of all that he saw around him. It is clearly evident in his poetry that he got much joy out of nature and felt there was something much deeper than what was visible only on the surface. He looks on nature with his inward eye and the glory of it enters into his heart and soul.
